AFTERWORD

I am a Creative & an Entrepreneurial Business Owner. I love to learn new things, I am a fast learner, and I enjoy starting new businesses and growing them. I work well alone and with a team. I am both a good teacher and a good student. I have extensive knowledge in skincare, body types, fabric/clothing for all ages & body types. I also have stellar set etiquette, and excellent communication skills; both verbal & written. I believe all of my experience makes me a well rounded Artist, and an Expert in my field. I have a passion to create as much confidence in people as I can, whether they are learning from me, or being transformed; I aim to make them feel confident which will make them feel good and look great!
